

The Unumb Center

FOR NEURODEVELOPMENT

Program Assistant I: Registered Behavior Technician (RBT)

The Unumb Center for Neurodevelopment (The UCN) is seeking individuals with a passion for working with children diagnosed with autism spectrum disorder (ASD) to join our team as Behavior Technicians (BTs). Founded in 2010, The UCN is a 501(c)(3) not-for-profit organization offering individualized applied behavior analysis (ABA) to clients with ASD. Our team of highly qualified professionals provides one-on-one and small-group ABA to children and adolescents aged 2 to 21 in a center-based setting. In addition, The UCN offers parent consulting, school consultations, social skills groups, summer camps, as well as a multidisciplinary neurodevelopmental diagnostic center providing ADHD and autism testing, individual and family therapy, and behavioral feeding therapy.

Job Overview

A BT is a paraprofessional who practices under the supervision of a Board Certified Behavior Analyst (BCBA). The BT's primary responsibility is the direct implementation of treatment plans designed to teach communication, social, and daily living skills, while reducing problematic behaviors for children with ASD. BTs are also responsible for collecting and calculating data during each therapy session, as well as communication with client clinical teams. All BTs at The UCN are expected to obtain the Registered Behavior Technician (RBT) credential within 90 days of employment.

Job Type: Full-time

Salary: \$14.00/hour upon completion of RBT certification

If you are interested in helping children in South Carolina with autism reach their full potential, please visit our website at www.unumbcenter.org ; and complete our Employment Application.

No phone calls please

Why join The Unumb Center team?

- The UCN offers full-time employment (Monday-Friday, 8:00am-4:00pm)
- The UCN offers a highly supportive, clinic-based setting
- The UCN offers *free* RBT, Safety Care, Basic Life Support/CPR, and other professional training opportunities for staff
- The UCN offers highly competitive compensation, based on experience and performance
- The UNC offers a benefit package including Health, Dental, Vision, and PTO
- The UCN offers team members the opportunity to make a difference in the lives of children and families impacted by ASD

Required Skills

- Bachelor's Degree or significant experience working with children with special needs
- Successful completion of the RBT competency assessment and exam after training is complete
- Ability to build and maintain relationships with clients
- Ability and desire to work patiently and compassionately with children who have challenging behaviors
- Frequent kneeling, stooping, bending, and sitting on the floor to attend to children's needs; this position is rated as active and regularly requires the individual to lift 30-50 pounds
- Ability to work independently and with a team
- Ability to communicate thoughts and ideas effectively to other members of your team
- Strong organizational and time management skills
- Ability to manage multiple tasks (e.g., data collection)
- Clearance of a state and federal criminal background check.
