

# We're Hiring!

## Licensed Psychologist: PhD or PsyD

The Unumb Center prides itself on a collaborative environment and a rigorous adherence to evidence-based practices. Under general supervision of the Director of Clinical Services, the clinician's responsibilities will include:

- Conduct psychological assessments for developmental disabilities including: autism spectrum disorder, attention-deficit/hyperactivity disorder, specific learning disabilities, and other childhood disabilities
- Opportunities to conduct evaluations with adults are available based on the applicant's previous training
- Provide individual and family therapy to clients referred for mental or behavioral health concern
- Participate in summer programming and social skills groups as needed
- Supervise university practicum students as needed

### Benefits include:

- Team culture and strong clinical support
- Flexible scheduling
- Group health benefits
- Short and long-term disability insurance
- Liability insurance
- Opportunities to earn CEUs at local and national conferences
- Professional development opportunities
- Opportunities to conduct research
- Career advancement opportunities
- Relocation assistance may be available
- Dedicated billing staff and clinical coordinator to assist with processing referrals and scheduling

### Required skills:

- Licensed as a psychologist and/or professional counselor or license-eligible in South Carolina
- Experience working with children and adolescents with developmental disabilities
- Trained to provide treatment from an applied behavior analytic and/or cognitive-behavioral perspective
